

THE VISION

To assist all learners across the Highland area to realise their potential and to contribute to the economic and social development of the area. The College will be recognised as the leading provider of accessible vocational education and research across the area and where appropriate beyond, with a coherent curriculum, identified pathways of opportunity and an ambitious contextualised research portfolio..

MISSION STATEMENT

The North Highland College will ensure that inclusive and accessible high quality vocational training, life long learning and research opportunities, relevant to the needs of learners, communities and employers, are available across the highland area.
